

Individual Membership Programs and Benefits

AOAC Members are the heart of our organization. Membership and participation in AOAC INTERNATIONAL is an opportunity for professionals to demonstrate their dedication to analytical excellence.

AOAC INTERNATIONAL offers both Individual, Student and Organizational membership options. Retiree and Developing Nation discounts are also available.

In 2019, AOAC adopted a new membership model to boost member value and engagement, while ensuring the association's fiscal health. The new model lowered individual membership fees, introduced new organizational membership tiers, and allowed members to choose the services, programs, and publications that benefit them most.

	Individual Member	Student Member
Annual Membership Dues	US\$30	US\$30
The membership includes:	Laboratory managers, analytical chemists, microbiologists, toxicologists, forensic scientists, management executives and much more. Individual Memberships are held in the name of the individual, not the organization they work for, and are non-transferable.	Opportunities to engage with AOAC INTERNATIONAL and leaders in the field to develop careers dedicated to analytical excellence. Student Memberships are held in the name of the individual, not the university they attend, and are non-transferable.
Each individual membership includes:		
Online Journal of AOAC INTERNATIONAL	Included	Included
Online Inside Laboratory Management (ILM)	Included	Included
Online AOAC Official Methods of Analysis (OMA)	\$60	\$40
Print AOAC Official Methods of Analysis (OMA)	\$675	\$675
